- b. Frontier Days Race – Discuss Participation asked that we do a race, same day as Fall Fest – recommended Glow Run on Friday for Frontier days – did not commit to helping with this race. No shirt, maybe a medal – but nothing large – minimal cost on our part – Tom recommends advertise with Spa City Runners page Motioned to time Cassie, 2<sup>nd</sup> Robin – passed – this will replace the Spring Sing on our RVR Series agreed motion Robin, 2<sup>nd</sup> Cassie passed

### c. Post Race Survey – Results

- i. One Hour Track Run – age awards? It's an endurance race not a time race..explain that upfront what to expect from this race. Designate better categories to make a clear category – issue with congestion on track -
- ii. Valentine's 5K – wanted more porta potty for use...
- iii. Mt Magazine -  
Results were mostly positive – biggest concern – timely giving of awards; additional support on course for Mt. Mag – porta potty on route; liked having additional water/towel; Gatorade at finish line; Results were an issue...

PR Bell has been well received – love medal holder at finish line

As we grow – maybe food truck as finish line and more to do as they wait for awards, etc.

Will continue to send out surveys for our sponsored races and continue to make improvements that can be made.
